

Aotai Photovoltaic Inverter Manufacturer

Who is aotai electric?

Established in 1993,AOTAI Electric is a leading manufacturer of inverter machines,including both solar inverters and inverter welding machines. As a typical technology-oriented company,its main products reflect development level of cutting-edge technology in this field in China.

What is aotai solar inverter?

Aotai is named "Shandong modern welding equipment researching lad" by Government. The Solar inverter division was set up, which means Aotai enters the solar inverter industry officially. The distributors are expanded to 40 plus countries. National Science and Technology Progress Award for solar, first solar inverter manufacturer won this award.

Who is Aotai Solar?

Aotai Solar is a division of Aotai Electric Co.,LTDthat was set up in 2009,mainly manufacturing on-grid and hybrid inverters. Aotai was founded by several professors and their graduate students from Shandong University in 1993. Since its founding,Aotai has been dedicated to pursuing innovative technologies that bring breakthroughs in its field. Total installation is over 10GW.

How many welding machines does aotai offer?

Aotai offers nearly 100welding machine models in 13 series. Its line of welding machine products includes Inverter MMA,Inverter TIG,Inverter MIG,Inverter SAW,Water Cooling Machine,Inverter Air Plasma Cutter as well as a variety of accessories. Its solar division was set up in 2009,mainly manufacturing on-grid and hybrid inverters.

What is aotai welding power source?

Aotai welding power source is widely used by the first class brand. Aotai is named "Shandong modern welding equipment researching lad" by Government. The Solar inverter division was set up,which means Aotai enters the solar inverter industry officially. The distributors are expanded to 40 plus countries.

How aotai became a major welding machine supplier in Shandong province?

Aotai became major welding machine supplier in Shandong Province. IGBT inverter welder serieswere developed. Aotai inverter welders gained the fame of "National New Products"; The market expanded from Shandong to the rest of the territory,which cover power plant construction,petroleum,petrochemical,and metallurgy industries,etc.

Aotai Electric Co., Ltd. Solar Inverter Series APS-500KTL. Detailed profile including pictures, certification details and manufacturer PDF

Check out solar inverter ASP-3.6-5KTL Aotai Electric Co., Ltd. kW, kW, kW Datasheet PDF file, Prices,

Aotai Photovoltaic Inverter Manufacturer

Reviews, and their Distributors.

AOTAI Electric is a leading manufacturer of inverter machines, including both solar inverters and inverter welding machines. As a typical technology-oriented company, its ...
