

Can a suspended TV cabinet be used for storage

Should you buy a suspended TV console?

If you're looking for a stylish and modern way to display your TV, a suspended TV console might be just what you need. These sleek and contemporary designs are perfect for those who want to save space in their living room while still having a functional and stylish entertainment center.

Do you need a TV stand with storage?

You only need one piece of furniture to take back your beloved evening routine and continue judging others' real estate decisions in peace. Enter: a TV stand with storage. Storage media consoles and TV stands are life-changing additions to any living space.

Why do we repurpose old TV cabinets and TV stands?

With the introduction of flat screens, big TV cabinets and TV stands are not longer useful. These huge pieces of furniture often end up in storage. They can also be found in charity shops where they are often overlooked. May be that's why we love repurposing old TV cabinets and entertainment centers.

Can TV stands be repurposed?

TV stands, TV cabinets and entertainment centers hold a lot of upcycling potential. Check our collection of 12 before and after repurposed TV stands and entertainment centers. Some are projects we've worked on over the past few years, some are projects we found browsing the web.

Are big TV cabinets good for clothes storage?

Indeed, big TV cabinet make great armoires for clothes storage. I found them especially useful as children clothes storage solution. You can keep the doors or remove them for easier access to your baby's clothes. Those who have tried to open a closet with a baby in their arms will understand...

What is a suspended TV console?

A suspended TV console is not only functional but also contemporary. It can add a touch of elegance to your room and create the ideal ambiance. You can choose a console that matches your room's theme and decor. You can also use the console to display your screen and other accessories.
